Miss Kate Wallach  
Law Librarian  
Louisiana State University  
Baton Rouge, Louisiana

Dear Kate,

I hope the two-year term will not keep me in office until June 1961! I am an entirely unsatisfactory secretary-treasurer and my worry about the chapter and feelings of guilt (bad enough in themselves) don't seem to have much effect on the piled up work.

I don't believe any of us is sure what we did when we made the change. I was elected initially to serve for one year, beginning in June 1959. Then we held our 1959 annual meeting in November. This meant that the incumbents were to go out of office after having served only five months. For this reason we extended the term for another year, which means that we'll go out in the Fall of 1960 (I hope).

Your suggestion that our annual meeting be held in Baton Rouge in March sounds like a splendid idea. I only wish we had known about it sooner. At the last meeting Vanderbilt extended an invitation to meet there in 1960, and we accepted. I don't know whether the members will want to move up the 1961 meeting from November to March but it's an idea which we can explore in Minneapolis in June and propose formally in Nashville. Marian Gallagher is such a delight to listen to and your program is enticing.

You wrote earlier concerning the payment of dues. I'm afraid I confused the issue considerably when I first took over in that I was under the impression that dues were for July-June, only to find out later that dues are for the calendar year. At the meeting in Chapel Hill (we missed you!) I brought up the matter and it was decided that beginning January 1960 we would again call for dues (\$2.00 now instead of \$1.00) and those who objected would be credited for calendar 1960.

I'm looking forward to seeing you in June and I'll do whatever I can to get the 1961 meeting in Baton Rouge.

I have your George Hardy III for Agency and like him very much. He's extremely smart and capable and makes Agency as attractive as it could be made.

Sincerely,
